

NORTHER UGANDA SELF SUFFICIENCY PROJECT UPDATE JUNE 2023

WELCOME TO NEW LIFE IN ACHOLINYEK
BECAUSE OF YOUR GENEROSITY.

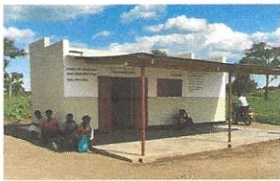

You will notice that there are many smiles in the pictures below. *Self-sufficiency brings joy!* This village loves the feeling of standing strong and providing for its own people. Health-care can be found without traveling for miles. Worship is close. Provision and maintenance for the fields is in our control, not on the timeline of others. The completion of one good idea leads to another. The momentum is moving forward... but, we are not done!
Rejoice with us... and stay beside us. We need you. *Fr. Simon Menya*

Welcome to our Health Clinic.

We are open to the community.
Nurse Winnie is happy to care for you.

Our Clinic Board gives prayerful guidance and oversight.

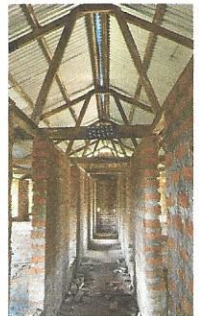

Welcome to our Agricultural Program.

You won't want to miss our new tractor & driver, Fred. This machine multiplies our harvest potential. Our crops are doing very well. And the tractor is providing income as we use it to help other farmers in the community.

Welcome to St Catherine Greek Orthodox Church

We are waiting with anticipation for final blessings to begin services in our new church home. Until then, we enjoy the mango trees and rejoice at God's provision.

Welcome to our Pig Farm.

Door to the right is our office. Door straight ahead enters the hallway seen here with our spacious pig pens. These remain empty due to unexpected flooring concerns. This is being cared for and we hope to hear piglet squeals soon!

Watch for updates as we continue to initiate & improve projects in this community.
Your generosity helps NUSSP continue to bring new life to Acholinyek. Thank you!
