

# NORTHER UGANDA SELF SUFFICIENCY

## PROJECT UPDATE OCTOBER 2022

"CHRIST IS IN OUR MIDST!"

I send you warm greetings from my family and community. We are well and healthy. It's been a while since the last NUSSP update. I want to let you know that we are working!

We have been *Planting* and *Building*.

### We *Planted* rice...

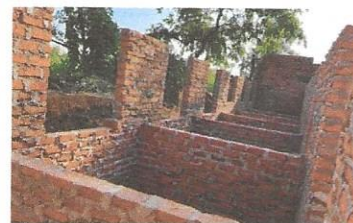

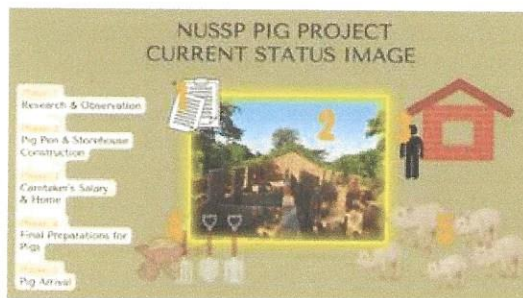

It is growing! This rice is a welcome blessing for our community. We will soon purchase a tractor to help with the planting and harvest of our crops. **THIS IS A HUGE BLESSING. WE ARE GRATEFUL!**

### And we are *Building*...

PHASE 1: Complete.

PHASE 2: Complete.

PHASE 3: Complete. We received funds for the roof which will soon be constructed.

**NOW...** It is time for PHASE 4: the tools, floor coverings, water pumps & food... **IN PREPARATION FOR PHASE 5: THE BABY PIGLETS!**

Can you feel the excitement? When we looked at this project as one huge endeavor, it was a daunting task! We broke it down into phases. You can see clearly all that is happening in real time! It began as a dream... and now... we will soon see walking pigs...  
*off the page and into real life!*

Your generous gifts have been put to use. We need your help to bring the final image to life.

*The supplies to complete PHASE 4: \$2500*

Upon completion of Phase 4, we will be ready to open the door for the piglets. We hope to offer the opportunity to purchase a Christmas Pig for \$70.
