'Pay It Forward In Christ' Scholarship Program 2024

Kindergarten, Primary, High School and Higher Institution

We invite you to partner with us and support vulnerable children to receive Education in Northern Uganda, as part of the Northern Uganda Self-Sufficiency Project (NUSSP)!

When children are sent to school, they ***are able to avoid child labour, grow into responsible individuals, and become positive change agents in their own communities!***

Your timely support of ***\$54/month for 12 months OR \$640/year (transfer fees not included)*** can allow EIGHT children (ages 3-5) to go to Kindergarten School, located 30 km away from any town. \$125 pay tuition plus requirements to send a child to primary school for a full year and \$600 pays tuitions plus requirements to sends a child to a High School for a full year. \$990 sends a student for a full year to get higher Education in higher Institutions of learnings.

The children not only receive education, but are fed daily with porridge (corn flour mixed in hot water & sugar) and lunch (posh from cornflour with beans). The dire conditions are such that parents can't even afford to pay for their children to go to school.

Will you partner with us?

To be part of this ongoing initiative please reach out to us through this email:
